TO BE THE MOST TRUSTED AND PREFERRED SUPPLIER IN THE GLOBAL MARKETS WE SERVE.

The Bradbury Group of companies take a very proactive approach to engineering and manufacturing quality equipment and supporting your investment with exemplary service. We want your equipment to maintain top performance production by using original spares and replacement parts. Bradbury International UK, Ltd. offers replacement parts for all Bradbury Group lines including: Bradbury, American Machine & Rollform Tech, Hayes International, Athader S.L., Alliance Machine & Engraving, Bradbury Group Australia, Metform International, and Bradbury Group Pu.Ma.

With our acquisition of Industrie Pu.Ma. in 2014, we have the ability and knowledge to assist you with spare parts, service calls, upgrades and retrofits, training, and more for your insulated panel lines.

We also own the intellectual property of Hilleng International, Die-Craft Engineering, and Metform Engineering, Ltd., UK.

We are able to offer service, support, and parts for all three of these equipment brands.
